# Office Filing Systems Rotary File Cabinets

H.I.P.A.A.  
compliant

**Store Twice As Much**  
in one unit. The base of each unit rotates allowing access to both front and back sides and prevents unauthorized access to the unit when the rotary cabinet is turned to the flat side panels.

**Adjustable Shelves**  
allow for storage of end tab folders, 3-ring binders, books, data and media tapes, or any items that can be stored on traditional shelving.

**Rollout Reference Shelf**  
5, 6, 7, and 8 tier models accept a rollout reference or posting shelf with no loss of filing inches when used with standard shelves.

**Security Drawer**  
Confidential documents stay safe and secure. The drawer features double bitted key lock, recessed drawer front, and Accuride suspensions.

**Rollout Drawer with Hanging Folder Frame**  
Allows handling of all of your hanging folder requirements. Drawers can be stacked (1) per tier for complete hanging folder storage.

**Multi-Purpose Rollout CD-Rom, Data Media, and Video Tape Drawer**  
Drawer backs and fronts are slotted every 1/2" for adjustability. Drawer dividers run the full front-to-back length. Adjustable slotted drawers allows for easy storage of either CD-Rom or videotapes.

**Microfilm, Microfiche, Index Card, and Check Drawers**  
These low profile drawers can be adjusted to store a variety of valuable archived medical and business records as well as office supplies.
